• Mobile Application Development / Andorid App development / React Native / Firebase / Flutter / Git / App development: Flutter & Dart, React & React native, / MongoDB / JavaScript / Python / MySQL

WORK EXPERIENCE

🏢 *JMR Infotech* – Bangalore, India

City: Bangalore | **Country:** India

Software Consultant

[29/01/2025 – 20/05/2025]

Developed and maintained cross-platform mobile apps using Flutter and React Native.
Collaborated with backend teams to integrate APIs and ensure smooth app performance.
Participated in testing, debugging, and deploying apps to app stores

🏢 *Dynamic method solution* – Ahmedabad, India

City: Ahmedabad | **Country:** India

Software Developer

[05/06/2023 – 10/01/2025]

I worked across multiple platforms and technologies, including Android (Java/Kotlin), Flutter with Firebase, and React Native. My responsibilities involved end-to-end mobile application development and maintenance for both Android and iOS platforms.
This included API integration, CI/CD implementation, and deploying apps to the Google Play Store and Apple App Store.
Key Skills: Android/iOS Development, React Native, Flutter-Firebase, API Integration, CI/CD, App Deployment

🏢 *Leeway Softech Pvt ltd* – Bhavnagar, India

City: Bhavnagar | **Country:** India

Mobile Application Developer

[01/09/2022 – 31/05/2023]

I worked at the company where I was responsible for developing and deploying robust cross-platform mobile applications for Android and iOS using a single Flutter codebase. My role included writing clean and readable Dart code, managing both front-end and back-end development, performing functional testing, and handling app hosting.

🏢 *Phoenix IT PARK* – Ahmedabad, India

City: Ahmedabad | **Country:** India

Python developer internship

[01/01/2021 – 01/06/2021]

During my academic project, I worked at Phoenix IT Company in Ahmedabad, where I developed an Android-based application using Python and the Kivy framework. The application, named *E-Medicare*, included various functionalities tailored for healthcare services.
